

10th States and National Leadership Conference

10th SNLC Resolution No. 005

A RESOLUTION

Reaffirming the mandate for all Governments to collaborate on available financial resources in light of unmet needs.

WHEREAS, all the five Governments have continuously struggled with the limited revenue and funding that they receive to ensure that these necessary needs are met; and

WHEREAS, due to the increasing demands and challenges placed upon our people, the state governments remain hopeful for the possibility that it may collaborate with the National Government in determining the best use of our monies collected through the resources available for the best interest of all; and

WHEREAS, in its utilization of its our national revenue, the National Government are encouraged to include the input and recommendations of the state governments as it determines the best use of its resources for the betterment of our nation and the proper growth our states; now, therefore,

BE IT RESOLVED that the Governments collaborate to evaluate resources to determine the most effective use of such resources in light of unmet needs by the next scheduled State and National Leadership Conference, in accordance with the 1975 FSM ConCon SCREP No 38-Finance and Taxation Committee on tax revenue sharing between State

and National Governments.

BE IT FURTHER RESOLVED, that upon adoption of this resolution copies hereof shall be transmitted to the Chief Executives and the Presiding Legislative Officers of the State and National Governments of the Federated States of Micronesia.

Adopted in Tofol, Kosrae on this 21st day of March 2017
